**Continuing Education (CE) Course Information**

A CE Provider is required to renew their CE courses every two years per Alaska Statute 3 AAC 23.195(a).

A CE Provider seeking approval of a CE course must submit to the director at least 30 days before the first date the course is to be offered for credit, an application for course approval on a form prescribed by the director and pay an application fee. The course may not be advertised before the course has been approved by the director per 3 AAC 23.188(a)
