The Minnesota Department of Commerce has partnered with Sircon for States to service the electronic licensing system for insurance licensees. As part of this system, education providers are required to set-up an account with Sircon. To do this, please visit Sircon's Web-portal at www.sircon.com and create a username and password. You will be able to access your Minnesota Insurance education provider and course approval information only after you have set up your user account. If you have any questions about setting-up your account, please contact Sircon at 517-381-3860.

You will also be responsible to use the Web-portal to electronically enter subsequent offering dates and locations for your approved courses at least 30 days before the course is to be held. Furthermore, you must submit student attendance roster information through the Web-portal and renew courses when due.

For questions regarding education policies and procedures, please contact licensing education staff via e-mail at education.commerce@state.mn.us. We also encourage you to review Minn. Statutes Chapter 45 to learn more about your responsibilities as an education provider.

Sincerely,

Carolyn Little
